CROMO COLORS

Design by Ercoli & Delponte

FEATURES

Needles resistance
Max thermal output: 2000 W
3 power settings (800-1200-2000W)
Mechanical controls
IP 21 certification gainst water dripping
Safety thermostat
Room Thermostat
Anti-frost function
Cable winder
2 available colours
Max room volume 60 m³

DOUBLE-SHELL

Thanks to the double-shell system in high quality, extra thick ABS that protects the internal components of the heater, the product is extremely robust and solid.

WATER SAFETY: IP 21

IP 21 approved to ensure safety against vertical water dripping.
Thanks to the special grille design and the shielding of the internal components the product can be used even in the bathroom.

CABLE WINDER

2 flaps located on the rear panel provide an extremely practical solution for cable winding.

QUICK CONTROL

3 operating speeds and thermostat in a single, user-friendly, "Click and heat" control button.
