QUARZIA HUMI

1200W infrared heater with quartz lamp

Cod. 99227

QUARTZ TECHNOLOGY

Instant, uniform heat thanks to quartz lamp infrared technology

3 POWER LEVELS

The temperature of the room is easily adjusted by turning the knob.

STOP DRY AIR

In addition to heating the room, it is also possible to avoid dry air by using the humidifier setting to deliver a light jet of hot vapour

EASY TO MOVE

Convenient ergonomic handle and cable winder for greater comfort of use

FEATURES

- Max thermal power: 1200 W
- 3 power levels (400 - 800 - 1200 W)
- 6 usage modes: 3 power levels and no vapour emission
- Safety thermostat
- Overheating protection
- Anti-tip switch
